

PATRICK TOWNSEND SECURITY SOLUTIONS

LETTER OF REFERENCE

To Whom It May Concern:

We have worked with atsec for several months on multiple certification projects, and I can give them my highest recommendation. In addition to their great work on the actual certifications, we have benefited from their experienced advice and direction in matters of security and compliance. Their business dealings have been top notch. We continue to use them for certification work and are encouraging our partners to engage with atsec for their certification needs.

You may contact me directly if you would like to discuss this in more detail.
