

Swedish Certification Body for IT Security

LICENSE

atsec information security AB

has today been awarded license as IT Security Evaluation Facility, authorized to perform IT security evaluations according to the Common Criteria, the Common Methodology, and the Scheme.

Dag Ströman
Head of CSEC

Issued on (month - day - year)

The *Swedish Common Criteria Evaluation and Certification Scheme* (the Scheme) has been established to ensure that evaluations of Information Technology (IT) products and protection profiles are performed to high and consistent standards, and are seen to contribute significantly to confidence in the security of those products and profiles.

The Scheme is under the authority of the Swedish Certification Body for IT-Security (CSEC), which is an entity within Swedish Defence Materiel Agency (FMV).

In implementing the Scheme, CSEC operates in accordance with CCRA - the Common Criteria Arrangement on the Mutual Recognition of Common Criteria Certificates in the field of Information Technology Security, May 2000, and EN 45011:1998 – General Requirements for Bodies Operating Product Certification Systems.

1937
ISO/IEC 17025

atsec information security AB

Organisationsnummer 556645-6959

är ackrediterat som evalueringsorganisation för uppgifter enligt bilaga 2, daterad 2007-11-28. Villkor för ackrediteringen framgår av bilaga 1./is accredited as a evaluation organization for the scope specified in enclosure 2, dated 2007-11-28. The terms of the accreditation are specified in enclosure 1.

Organisationen är ackrediterad enligt den internationella standarden ISO/IEC 17025:2005. Ackrediteringen innebär att organisationen har bedömts inneha erforderlig teknisk kompetens inom de områden som definieras i bilaga 2 och tillämpar ett kvalitetsledningssystem som uppfyller ställda krav. Se också ISO-ILAC-IAF kommuniké bifogad som bilaga 3. Den ackrediterade organisationen ansvarar för resultatet av utförda evalueringar och bedömningar samt, i förekommande fall, för val av och tillämpning av arbetsmetoder inom ramen för den meddelade ackrediteringen./This organization is accredited in accordance with the recognised International Standard ISO/IEC 17025:2005. This accreditation demonstrates technical competence for a defined scope and the operation of a laboratory quality management system (refer joint ISO-ILAC-IAF Communiqué dated 18 June 2005). The accredited organization is responsible for the results of performed evaluations and submitted judgements as well as, where applicable, for the selection and application of work methods within the scope of the granted accreditation.

Ackrediteringen gäller tills vidare. Styrelsen för ackreditering och teknisk kontroll (SWEDAC) genomför regelbundet tillsyn, och vart fjärde år en förnyad bedömning, för att bekräfta att ackrediteringens villkor enligt bilaga 1, daterad 2007-11-28, uppfylls./The accreditation is valid until further notice. The Swedish Board for Accreditation and Conformity Assessment (SWEDAC) regularly carries out surveillance, and a full reassessment every fourth year, in order to verify that the requirements for accreditation, see enclosure 1 dated 2007-11-28, are continually fulfilled.

Detta ackrediteringscertifikat utfärdades 2007-11-28 av/This accreditation certificate was issued 2007-11-28 by:

Roland Jönsson,

Avdelningschef tekniska avdelningen/Manager of the Technical Department

Beslutet om ackreditering utfärdades med stöd av 15§ i Lagen om teknisk kontroll (1992:1119). SWEDAC är enligt förordningen om teknik kontroll (2005:894) nationellt ackrediteringsorgan ansvarigt för bedömning av kompetensen hos certifieringsorgan, kontrollorgan och laboratorier som ansöker om ackreditering./Accreditation was granted with the mandate given in §15 of the Law on Technical Conformity Assessment (1992:1119). SWEDAC is, according to the ordinance on Technical Conformity Assessment (2005:894), the national accreditation body responsible for the assessment of the competence of certification bodies, inspection bodies and laboratories applying for accreditation
